Many events will be scheduled throughout the year. Up-to-date details of events are on our website [www.lockdales.com](http://www.lockdales.com)

### **Returns Policy**

Please inspect thoroughly all lots purchased upon collection or postal receipt. Returns can only be made within 7 days of receipt, with written explanation of the reasons why. Items can only be returned if significantly mis-described, or if proven to be inauthentic when sold as genuine. Bulk lots cannot be returned and thus we strongly advise viewing such lots in person. The nature of what constitutes a bulk lot is determined at Lockdales' discretion. Returned lots will only be accepted if returned in the same condition they were received in. We seek to stress by these terms: that the practices and etiquette of sale by auction are different from those relevant to sale by private treaty. Items in our auction are not sold "on approval". Bidders should be certain of the nature of each lot before bidding. We do not refund postal charges. **\*We do not accept any returns on specifically German medals & militaria. These items are considered sold 'as seen' and should only be bought in full knowledge and acceptance of these terms.**

616	Military Medal GVI 9405322 Cpl. E.W.Edwards, R.Tank R.), 1939- 45 Star, Africa Star, Italy Star, Defence and War Medal. For Greek Civil War Cpl (later L/Sgt) Edward Wallace Edwards, Royal Tank Corps, served with 50th Royal Tank Regiment as a tank crew/commander through the North Africa and Italy campaigns. Cpl Edwards was awarded the MM and was in the campaign against the Communists in the Greek Civil War. The MM was London Gazette 10.05.1945. The recommendation, like so many for the Greek Civil War, has not been released by the MOD but it does appear in the book '50th Royal Tank Regiment, The Complete History' by Stephen D. Hamilton which states that on New Years Eve 1944: - "At Athens on the night of 31st Dec/1st January 1944 an attack by the ELAS was made against one of the most forward post of C Squadron's sector, under the Command of Corporal Edwards. Despite a determined assault the post held firm and suffered no casualties, though inflicting a number on the ELAS. The next morning Corporal Edwards realised that the enemy had occupied the house across the road from his post. Taking two men with him, Edwards attacked the position, breaking into the house they discovered that the ELAS had 'mouse holed' from the rear of the building and were preparing to put the house into a state of defence. Determined to clear the position Edwards pressed home his attack. Subsequently two ELAS were killed and a third wounded. Due to Corporal Edwards' aggressive leadership, arms and ammunition had been captured and the ELAS never again attempted to occupy a house near his position". A 1962 newspaper clipping also comes with the group detailing some of Edwards' exploits in the Desert. Including stating that L/Sgt Edwards was a pre-war regular and has been seriously wounded by burns when his tank was hit. On recovering from his wounds he acted as Montgomery's driver. ## End of auction in room 2, day 2

## **Bidders Terms**

**ESTIMATED VALUES:** The estimated values shown after each lot are the auctioneer's opinion of what each lot may realise. The price realised may be in excess of this figure, it may also be less than.

**POSTAL BIDDING:** You may bid by mail before the sale. Please use the form provided. Enter the maximum you are prepared to offer for each lot and the auctioneer will represent you. Lots are knocked down at one step above the next highest bid, and not necessarily your highest bid. For example: Your highest bid is £110 and the next highest bid is £80: the hammer price is £85. It is the responsibility of the bidder to check details of bids placed. All bids will be held valid even if placed in error. The auctioneer will not be responsible for mistakes by the purchaser.

Lots purchased on behalf of postal bidders will be forwarded by the most practical method at the risk of the purchaser. Postage, packing, freight and insurance costs or part thereof shall be borne by the purchaser.

Each lot is sold as genuine unless otherwise described in the sale catalogue.

Any lot listed under collections and various or stated to comprise or contain a collection that is under-described shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) faults. Lots offered "as is" or "offered on their merits" may contain items that are not genuine and therefore may not be returned for any reason.

**E-MAIL & INTERNET BIDS:** Bids by E-mail, or via our internet bidding form at [www.lockdales.com](http://www.lockdales.com) will be accepted up to 2.30pm prior to the date of sale. Any bids received after that time will not be valid unless Lockdales have specifically acknowledged the bids by returning confirmation prior to the commencement of the sale. Any bid made by electronic means should be acknowledged by 3.00pm on the day prior to the sale – if confirmation has not been received please telephone to confirm bids, between 3.00pm and 4.30pm. In all other respects the receipt of electronic bids will be dealt with in the same manner as postal bids, as detailed in the section dealing with postal bidding above.

**TELEPHONE BIDS:** Telephone bids may be made. We do not accept any responsibility for errors made in taking bids, especially by telephone, though every effort is made to ensure accuracy.

**INVOICE & PAYMENT:** Successful postal bidders will be sent a Pro Forma invoice immediately after the sale with details of payment methods. All invoices must be paid within seven days of the sale or the lot(s) may be deemed in default and any subsequent loss incurred on resale becomes the responsibility of the bidder.

**ROOM BIDDERS:** Room bidders must register and obtain a bidding number on arrival. If successful in obtaining a lot, please ensure that you display your bidding number clearly to the auctioneer and that it is your number that is called out. If you have any doubt about the price or buyer: please draw this to the auctioneer's attention immediately. Room bidders may settle their invoices on the day of sale, or within seven days at our offices. You may pay for and collect your purchases at any time during the sale.

A Buyers Premium of 17.25% will apply to all lots.

**AUCTIONEER:** The bidding advances shall be regulated by the auctioneer and shall be at his discretion. He has the right to refuse any bids. The auctioneer reserves the right to bid on behalf of clients and vendors, but shall not be liable for errors or omissions in executing instructions to bid. The auctioneer acts as agent only, and shall not be liable for any default of the purchaser or vendor.

The cookie will help the website to recognise your device on any further visit. Web beacons / Flash or other similar files can also do the same thing. The term "cookies" in this policy refers to all files that collect information in this way.

A persistent cookie consists of a text file sent by a web server to a web browser, which will be stored by the browser and will remain valid until its set expiry date (they can however be deleted by the user before the expiry date).

Most cookies won't collect information that identifies you, and will instead collect more general information such as how a user arrives at and uses the websites, or a user's general location.

Generally, cookies perform up to four different functions:

1. Essential cookies
2. Performance Cookies
3. Functionality Cookies
4. Behaviourally Targeted Advertising Cookies
