Valuation Days

We conduct special valuation days at venues all around the UK. No appointment is necessary at such events, and valuations are provided free of charge. We look forward to meeting all our customers in person, and hope to see you soon. We are always keen to consign goods to auction, or to make cash purchases.

Many events will be scheduled throughout the year. Up-to-date details of events are on our website www.lockdales.com

Valuations are available at our Martlesham premises, **please call first to make an appointment.** In the case of high value collections we are happy to send one of our representatives to visit you. We will travel overseas to collect your goods if you have guaranteed that you will consign to our auction, or will accept a purchase offer agreed prior to travel.

Returns Policy

Please inspect thoroughly all lots purchased upon collection or postal receipt. Returns can only be made within 7 days of receipt, with written explanation of the reasons why. Items can only be returned if significantly mis-described, or if proven to be inauthentic when sold as genuine. Bulk lots cannot be returned and thus we strongly advise viewing such lots in person. The nature of what constitutes a bulk lot is determined at Lockdales' discretion. Returned lots will only be accepted if returned in the same condition they were received in. We seek to stress by these terms: that the practices and etiquette of sale by auction are different from those relevant to sale by private treaty. Items in our auction are not sold "on approval". Bidders should be certain of the nature of each lot before bidding. We do not refund postal charges.

***We do not guarantee books, clocks, watches or cameras. These are sold as seen, and non-returnable.**

***Weights and measurements are only approximate.**

***Condition reports are only a guide, and bidders are advised to view in person.**
