Valuation Days

We conduct special valuation days at venues all around the UK. No appointment is necessary at such events, and valuations are provided free of charge. We look forward to meeting all our customers in person, and hope to see you soon. We are always keen to consign goods to auction, or to make cash purchases.

Many events will be scheduled throughout the year. Up-to-date details of events are on our website www.lockdales.com

Valuations are available at our Martlesham premises, **please call first to make an appointment.** In the case of high value collections we are happy to send one of our representatives to visit you. We will travel overseas to collect your goods if you have guaranteed that you will consign to our auction, or will accept a purchase offer agreed prior to travel.

Returns Policy

Please inspect thoroughly all lots purchased upon collection or postal receipt. Returns can only be made within 7 days of receipt, with written explanation of the reasons why. Items can only be returned if significantly mis-described, or if proven to be inauthentic when sold as genuine. Bulk lots cannot be returned and thus we strongly advise viewing such lots in person. The nature of what constitutes a bulk lot is determined at Lockdales' discretion. Returned lots will only be accepted if returned in the same condition they were received in. We seek to stress by these terms: that the practices and etiquette of sale by auction are different from those relevant to sale by private treaty. Items in our auction are not sold "on approval". Bidders should be certain of the nature of each lot before bidding. We do not refund postal charges. ***We do not accept any returns on specifically German medals & militaria. These items are considered sold 'as seen' and should only be bought in full knowledge and acceptance of these terms.**

He later saved Lieut Gordon of the 7th Hussars on 17 June 1815 in Belgium from being killed or captured. Lieut Smith was directly involved in the capture of General Lauriston, aide-de-camp to Napoleon. He died at Ripon on 18 July 1865 aged 72. Note: His original Waterloo Medal was sold by DNW 5 April 2006. It is known that Officers could have two of the same medal as they were issued unnamed, an original that would be worn on special occasions and a second or third which would be worn while on service in case the first got lost or damaged. The Brian Higgs Collection

In memory of Brian Higgs 14/11/1936 – 8/11/2015

We are sad to report the death of well-known local collector Brian Higgs of Harwich on 8th November 2015. Brian had collected militaria, guns and bayonets for over 70 years. He was a regular exhibitor at local militaria fairs and had a wide circle of friends from far and wide. He was held in great esteem by those who knew him, for his friendly approach and straightforward trading. He was in every respect a Gentleman of the old school, honest to the core, unfailingly polite (and always willing to give a discount!). He is already much missed by his close pals, and our condolences go to his wife Jean, and children Mark and Sarah.

Lockdales has been entrusted with the sale of Brian's collection, which has been very competitively reserved on the instructions of the Executors. I'm sure Brian would join me in wishing you well with your bids and hoping you can find a bargain matching your interests.

-Howard Williamson, Harwich, November 2015

| 2037 | Halfcrown 1861 Fair. Officially none of this date were ever struck. Halfcrowns dated between 1850 to 1874 are believed to be counterfeits. These are of good metal, therefore possibly made from melted-down silverware for the purpose of laundering stolen goods. Historically there has been some confusion in the numismatic world as to whether they may be genuine and 'struck for colonial use'. For discussion of this matter we reference the website www.coinauthentication.co.uk by Robert Matthews. | £300 - £400 |

POSTAL BIDDING: You may bid by mail before the sale. Please use the form provided. Enter the maximum you are prepared to offer for each lot and the auctioneer will represent you. Lots are knocked down at one step above the next highest bid, and not necessarily your highest bid. For example: Your highest bid is £110 and the next highest bid is £80: the hammer price is £85. It is the responsibility of the bidder to check details of bids placed. All bids will be held valid even if placed in error. The auctioneer will not be responsible for mistakes by the purchaser.

Lots purchased on behalf of postal bidders will be forwarded by the most practical method at the risk of the purchaser. Postage, packing, freight and insurance costs or part thereof shall be borne by the purchaser.

Each lot is sold as genuine unless otherwise described in the sale catalogue.

Any lot listed under collections and various or stated to comprise or contain a collection that is under-described shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) faults. Lots offered "as is" or "offered on their merits" may contain items that are not genuine and therefore may not be returned for any reason.

E-MAIL & INTERNET BIDS: Bids by E-mail, or via our internet bidding form at www.lockdales.com will be accepted up to 2.30pm prior to the date of sale. Any bids received after that time will not be valid unless Lockdales have specifically acknowledged the bids by returning confirmation prior to the commencement of the sale. Any bid made by electronic means should be acknowledged by 3.00pm on the day prior to the sale – if confirmation has not been received please telephone to confirm bids, between 3.00pm and 4.30pm. In all other respects the receipt of electronic bids will be dealt with in the same manner as postal bids, as detailed in the section dealing with postal bidding above.

TELEPHONE BIDS: Telephone bids may be made. We do not accept any responsibility for errors made in taking bids, especially by telephone, though every effort is made to ensure accuracy.

INVOICE & PAYMENT: Successful postal bidders will be sent a Pro Forma invoice immediately after the sale with details of payment methods. All invoices must be paid within seven days of the sale or the lot(s) may be deemed in default and any subsequent loss incurred on resale becomes the responsibility of the bidder.

ROOM BIDDERS: Room bidders must register and obtain a bidding number on arrival. If successful in obtaining a lot, please ensure that you display your bidding number clearly to the auctioneer and that it is your number that is called out. If you have any doubt about the price or buyer: please draw this to the auctioneer's attention immediately. Room bidders may settle their invoices on the day of sale, or within seven days at our offices. You may pay for and collect your purchases at any time during the sale.

A Buyers Premium of 17.25% will apply to all lots.

AUCTIONEER: The bidding advances shall be regulated by the auctioneer and shall be at his discretion. He has the right to refuse any bids. The auctioneer reserves the right to bid on behalf of clients and vendors, but shall not be liable for errors or omissions in executing instructions to bid. The auctioneer acts as agent only, and shall not be liable for any default of the purchaser or vendor.
