Many events will be scheduled throughout the year. Up-to-date details of events are on our website [www.lockdales.com](http://www.lockdales.com)

Valuations are available at our Martlesham premises, **please call first to make an appointment.** In the case of high value collections we are happy to send one of our representatives to visit you. We will travel overseas to collect your goods if you have guaranteed that you will consign to our auction, or will accept a purchase offer agreed prior to travel.

**Bidders Terms : Returns Policy**

Please inspect thoroughly all lots purchased upon collection or postal receipt. Returns can only be made within 7 days of receipt, with written explanation of the reasons why. Items can only be returned if significantly mis-described, or if proven to be inauthentic when sold as genuine. Bulk lots cannot be returned and thus we strongly advise viewing such lots in person. The nature of what constitutes a bulk lot is determined at Lockdales' discretion. Returned lots will only be accepted if returned in the same condition they were received in. We seek to stress by these terms: that the practices and etiquette of sale by auction are different from those relevant to sale by private treaty. Items in our auction are not sold "on approval". Bidders should be certain of the nature of each lot before bidding. We do not refund postal charges.

**\*We do not accept any returns on specifically German medals & militaria. These items are considered 'sold as seen' and should only be bought in full knowledge and acceptance of these terms. Neither do we accept returns of bulk lots. Please ensure you have viewed items thoroughly.**

**For the rest of our Bidders Terms see end of catalogue.**

## The Brian Higgs Collection, Part 2

In memory of Brian Higgs 14/11/1936-8/11/2015

We are sad to report the death of well-known local collector Brian Higgs of Harwich on 8<sup>th</sup> November 2015. Brian had collected militaria, guns and bayonets for over 70 years. He was a regular exhibitor at local militaria fairs and had a wide circle of friends from far and wide. He was held in great esteem by those who knew him, for his friendly approach and straightforward trading. He was in every respect a Gentleman of the old school, honest to the core, unfailingly polite (and always willing to give a discount!). He is already much missed by his close pals, and our condolences go to his wife Jean, and children Mark and Sarah.

Lockdales has been entrusted with the sale of Brian's collection, which has been very competitively reserved on the instructions of the Executors. I'm sure Brian would join me in wishing you well with your bids and hoping you can find a bargain matching your interests.
