Many events will be scheduled throughout the year. Up-to-date details of events are on our website [www.lockdales.com](http://www.lockdales.com)

Valuations are available at our Martlesham premises, **please call first to make an appointment.** In the case of high value collections we are happy to send one of our representatives to visit you. We will travel overseas to collect your goods if you have guaranteed that you will consign to our auction, or will accept a purchase offer agreed prior to travel.

### **Bidders Terms : Returns Policy**

Please inspect thoroughly all lots purchased upon collection or postal receipt. Returns can only be made within 7 days of receipt, with written explanation of the reasons why. Items can only be returned if significantly mis-described, or if proven to be inauthentic when sold as genuine. Bulk lots cannot be returned and thus we strongly advise viewing such lots in person. The nature of what constitutes a bulk lot is determined at Lockdales' discretion. Returned lots will only be accepted if returned in the same condition they were received in. We seek to stress by these terms: that the practices and etiquette of sale by auction are different from those relevant to sale by private treaty. Items in our auction are not sold "on approval". Bidders should be certain of the nature of each lot before bidding. We do not refund postal charges.

**\*We do not accept any returns on specifically German medals & militaria. These items are considered 'sold as seen' and should only be bought in full knowledge and acceptance of these terms. Neither do we accept returns of bulk lots. Please ensure you have viewed items thoroughly.**

**For the rest of our Bidders Terms see end of catalogue.**

Presented to Major J A H Harrowing MC on the occasion of his retirement 31st Dec 1950 from the Officers of B.D. & E Companies for Loyal & Devoted Service'. MC Citation reads 'For gallantry and devotion to duty throughout the operations Aug 8-10, 1918. On August 8, when carrying up Stokes Mortars and Bombs to the final objective, he passed another tank similarly engaged, broken down with mechanical trouble. He at once got out of his own tank and, in spite of enemy sniping and shell fire, transferred the mortars and bombs of the broken down tank to a small cart, which he towed behind him to the dumping point near Cayeux. For this he was warmly commended by the 2nd Canadian Infantry Brigade. On August 9 he again went into action near Beaufort. On this occasion the infantry were badly held up by heavy machine gun and rifle fire. He at once took his tank forward and inflicted very heavy casualties on the enemy and enabled our infantry to advance. Later, spotting an anti-tank gun, he immediately attacked it, completely demoralising the crew, who at once bolted. This officer has on all occasions set a splendid example to his men, showing exceptional keenness and devotion to duty'. (also in this auction is his Sons Berkshires group)

**End of auction in Room 2, Day 2**

## **Bidders Terms Continued:**

**ESTIMATED VALUES:** The estimated values shown after each lot are the auctioneer's opinion of what each lot may realise. The price realised may be in excess of this figure, it may also be less than.

**PRE-SALE AND DESCRIPTIONS:** Statements made by us in auction lot descriptions, and in reply to pre-sale enquiries, regarding authorship, origin, age, size, condition, genuineness, authenticity or value are intended as a guide only. These are statements of opinion and should not be relied on as statements of fact.

The absence of any description of a defect, damage, modification or restoration in any description or report does not imply that there are none. It is the responsibility of the bidder to assess the condition of auction lots prior to bidding.

We reserve the right to alter published descriptions of auction lots prior to sale. Such changes may be published on our website, displayed at the auction, announced by the auctioneer prior to the sale and/or communicated in any other manner.

**POSTAL BIDDING:** You may bid by mail before the sale. Please use the form provided. Enter the maximum you are prepared to offer for each lot and the auctioneer will represent you. Lots are knocked down at one step above the next highest bid, and not necessarily your highest bid. For example: Your highest bid is £110 and the next highest bid is £80: the hammer price is £85. It is the responsibility of the bidder to check details of bids placed. All bids will be held valid even if placed in error. The auctioneer will not be responsible for mistakes by the purchaser.

Lots purchased on behalf of postal bidders will be forwarded by the most practical method at the risk of the purchaser. Postage, packing, freight and insurance costs or part thereof shall be borne by the purchaser.

Each lot is sold as genuine unless otherwise described in the sale catalogue.

Any lot listed under collections and various or stated to comprise or contain a collection that is under-described shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) faults. Lots offered "as is" or "offered on their merits" may contain items that are not genuine and therefore may not be returned for any reason.
