First Team Match Report Saturday 22nd August

1st Division KO Cup

WOODBIDGE TOWN 1 CORNARD UNITED 2 (HT 0-1)

Woodbridge Town so nearly forced this Division One cup tie to Penalties in injury time after hitting the woodwork three times in their first match of the season at Notcutts Park.

Sam Cole's free kick after 8 minutes was headed onto the crossbar by skipper Joe Langfield for the Woodpeckers. Sam Cole's effort after 22 minutes was well saved by Cornard keeper Aaron Reid. Cornard took the lead when Nathan Finan's accurate corner found Luke Payne and he made no mistake from close range after 23 minutes. Marco Makris' free kick was just off target after 43 minutes for the home team. Tom Hampshire's shot tested home keeper Matt Butterworth just before half time.

Harry Cole's effort missed the target after 48 minutes for the Woodpeckers. Cornard increased their lead when the experienced Rene Swann finished superbly to make it 2-0. Substitute Georgi Thrower's shot was well saved by Reid after 56 minutes. 16 year old George Bowman's powerful shot on the hour hit the post with Reid beaten. Ryan Keeble's header a minute later went just over a minute later. Lampshire's shot after 75 minutes tested Butterworth. Thrower's cross after 77 minutes found Jez Slinn but his shot struck the bar from close range as the Woodpeckers dominated the latter stages. Thrower again crossed after 80 minutes and Slinn made it 2-1 with a neat finish. In the last seconds Bowman's goalbound shot was superbly turned over the bar by Reid but the home side could not force an equaliser.

Team: Butterworth, Moss, Makris, Hunter, Green, Langfield (Capt), Greenwood, Sam Cole, Bird, Harry Cole, Keeble, Subs: Thrower for Green 45 Mins, Slinn for Hunter 53 Mins, Bowman for Bird 53 Mins, Unused: Scales, White.

Latest Thurlow Nunn Reserves Match Report

WITHAM RESERVES 1 WOODBRIDGE TOWN RESERVES 0

The league fixture computer certainly has given our young reserve team a tough start to the season with successive away trips to both Brantham & last seasons champions Witham Town. Whilst our Ryman league opponents were worthy winners on the day, it was such a spirited performance from a young side that could quite easily have capitulated had Witham scored early. We had Lay-Fulcher to thank for that who capped a superb display with an early penalty save and two other saves of note to weather an initial surge from the hosts.

Gradually we started to gain some better possession and Sinclair and Horton started to gain some inroads down both flanks for us which stretched our opponents and gave us some half chances which we didn't take. The closest we came was a freekick that went narrowly wide and a header from a set-play that went just wide. We were frustrating our higher league opponents though and even going into halftime goalless, we could be proud of some of our boys turning themselves into men and competing fairly.

We did have a couple of early second half chances which we didn't take and we then conceded from a free header at a corner midway through the half. To be fair all of our efforts on such a hot day for such a young group started to tell and we did in the end do well to keep ourselves organised and to protect Fulcher who had long range efforts only to deal with. It was a tough test against good opponents and again bodes well for a young group for the season.

Squad; Lay-Fulcher, Shopov, Burman, Smith, Fryatt, Panich, Horton, Coote, Watson, Sinclair, Southgate, Knights, Fryatt, Ebanks

Latest Thurlow Nunn Under 18's Central Division Match Report

BRANTHAM ATH. U18 0 WOODBRIDGE TOWN U18 4

Our U18's came through a tough examination at Brantham in another difficult away fixture, once again having to juggle the pack with 1st team call-ups and holidays affecting selection. Our hosts really put up a good show with good periods of possession themselves and looking dangerous going forwards albeit slightly not so confident going the other way defensively.

It turned out to be a really good first half of football with both sides starting well but it was ourselves that took the lead when Docker sent Mrozek clear to finish well on 12minutes. He was looking lively and the keeper did well to save twice more from him after good moves and then clawed one away close by his line when Smith looked like repeating his tap-in from last week.

Brantham were not afraid to get some shots off but were narrowly wide or over from longer range before their best effort came when a lovely taken free-kick hit one post, rolled along the line to hit the other and bounce gratefully into Stronge's arms.

Back at the other end Docker headed goalwards from a Smith free-kick and Horton went close too with his shot saved and Shopov dragging the rebound wide, but it was a tight first half where Brantham finished the stronger without hurting us in behind.

Panich replaced Jopling at the break and he had the first chance of the second period heading goalwards from a corner which the keeper again pushed aside and in a really good start to the half, Mrozek again went close twice after 2 pieces of sublime skill gave him chances. He was not to be denied too long and got his second when Horton's corner kick found him and he rifled low and hard on his right foot before completing his hat-trick with a good turn and shot left footed this time to beat the dive. U16 striker Brunning joined in when firing a penalty home which he had himself won with a lovely piece of skill that was too good for the defender saw him upended ungracefully to complete a job well done against opposition who will only get better as the season wears on.

Squad: Stronge, Fowler, Docker, Smith, Knights, Jopling, Horton, Southgate, Mrozek, Sinclair, Shopov, Brunning, D.Horton, Panich, Burman.

Today's Visitors: TEAM BURY

Team Bury was formed in 2005, then under the name of West Suffolk College FC. The team made up of students from the West Suffolk College Sports Academy were elected into Division Two of the Kent Blaxill Essex and Suffolk Border League Division Two.

In its inaugural season the team were promoted having achieved runners up spot in the Essex and Suffolk Border League Division Two behind Champions Brightlingsea Regent.

The following season the team went one better and they were crowned champions of Division One. The top two places were reversed from the previous season with Brightlingsea Regent runners up.

At the beginning of season 2007/08 the team were forced to uproot from its adopted home pitch at Gainsborough Sports Centre in Ipswich and were forced to find a new home that met the minimum ground standards for the Essex and Suffolk Border League Premier Division. A groundshare arrangement was agreed with Bury Town FC to use Ram Meadow as a home pitch.

To acknowledge their position in the local football community within Bury St Edmunds, a decision was made by the committee that ran the team, to change its name to Team Bury.

The first season in the Premier Division yielded an eighth place finish and although an application to join the Ridgeons League was submitted the eighth place achieved by the team did not meet the promotion criteria. The young team did win the Premier Division Fair Play Award.

Season 2008/08 again saw Team Bury submit an application and a successful season saw the team finish as runners up in the ESBL Premier Division. It was a close run thing with Team Bury and West Bergholt neck and neck for most of the campaign. In the end West Bergholt beat Team Bury in a crunch match towards the end of the season and went on to win the title by five points. However, Team Bury did have the consolation of winning the Fair Play Award for the second successive season.

In June 2009 Team Bury were duly elected to join the Ridgeons League Division One at the commencement of the 2009/10 season. In 2010 Team Bury won the Suffolk Senior Cup at Portman Road. 2010/11 Season saw the side finish 13th in the league with a very young squad. This season will see some of these players staying on with the side for their second or third season.

Terrace Talk

By John Middleditch

A Birds Eye View of

Good evening everyone and welcome to Notcutt's Park for our first home league match of the season. We visit Braintree Town Reserves on Saturday at 3pm. A reminder to supporters that this match (as it was last season) will be played at Long Melford. Stoneylands Stadium, Post Code is CO10 9JY.

Saturday's defeat to Cornard United could have been a different story but for us hitting the woodwork three times in all with Joe, Jez and George B all being unlucky, after Mossy's brilliant goal at Leiston I told Joe just before the game he would score and he came so close!! I am sure the team will admit they can play better but they battled away and were denied penalties in the last seconds by a brilliant save by the Cornard keeper.

The Reserves visited Witham Town on Saturday and lost 1-0 with keeper Harry Lay Fulcher saving a penalty after only three minutes. I have played Harry a few times at Snooker, our best break being 10 the last time we played, think I need more practice!! They play Newmarket Town at home, here on Saturday, kick off is at 3pm.

The U-18s host Felixstowe and Walton tomorrow night in a League match, here at 745pm. Under their new manager (Superhero that he is) Dave Bowman (father of George) they won their first two league matches away to Stowmarket Town and Brantham Athletic. Looks as though it could be another great season as it has been previously so entertaining under Frosty for the past few seasons. Players to look out for are Alfie Smith, Will Oxbrow, Josh Horton, Georgi Thrower and George Bowman with the George's performing well already for the first team this season. George Mrozek has already scored 5 goals in two games.
